Simple and **easy**

40 Sewing Patterns

HZL-60HR-C

Sew Comfortably!

Auto Needle Threader

The needle threader easily threads the needle and allows you to start sewing quickly.

Start/Stop Button

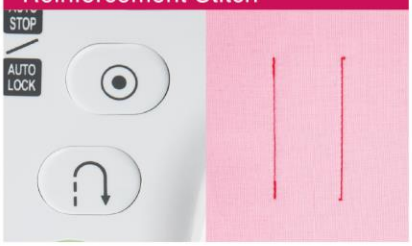

START STOP [Green]
Ready to start or while sewing

START STOP [Red]
Not ready to start

START STOP [Orange]
In bobbin winding condition

The color of the Start/Stop button indicates the status of the machine.

Reverse Stitch, Reinforcement Stitch

HZL-H series can sew a lock stitch at the beginning and end of sewing. There are two types of lock stitch, reverse stitch and reinforcement stitch.

Sew Firm!

Needle Up/Down Position Button

Press the button to change up/down position of needle instantly. Also you can change needle stop position and can even sew a half stitch.

Buttonhole

HZL-H series sews the buttonhole automatically according to the size of the button.

Presser Foot Pressure

When sewing thin or thick fabrics, you can get comfortable feed.
